## Loving Hearts Around You, Mother.

Happy farms round won mather. dather in the cheery light, Nerry songe and pleasant laughter, Fill our nome with joy to-night;

Fundant hearts are tours to great you, Loving lips your name to bloss, Shell'ring arms to shield and guard you, Tender hands with sweet cores.

All our weakness you supplied, When our tiny fact did falter,

You our feeble steps did guide. When the heavy hand of sickness

Took our strength and faid us low, You with all a mother's fondness Southed and cooled each fevered brow.

What were home without you, mother, But a sail and dreary place? May the day be very distant

When we miss your loving face; And we miss your cure and love,

May we gother round you, mother, In the better home above. Other faces we remember,

Gethered with us long ago; form barr gone we know not whither, Happy faces round you, mother, Gather in the cheery light,

Fill our house with give to-night Variety.
